

THE GLEANER JR.

First Story

Coloring Page One

E	EVERYBODY - Easter is for E verybody because E verybody has sinned and E verybody will someday die and E verybody will stand before God and have to be punished for the bad things they have done.
A	AGAPE - BUT A is for the word Agape - it is the word for LOVE - God loved us so much He sent Jesus to die for us so that we would not have to!
S	SINS - Jesus had to die because of our SINS . Sin is anything we do that God does not want us to do, and we all have sinned.
T	TOMB - After Jesus died he was buried in a tomb. That is where they would put dead people. Dead people don't come back, their life on earth is over.
E	EMPTY - Three days later the Tomb was EMPTY because Jesus DID come back to life! He raised himself from the dead!
R	RESURRECTION - a big word that means to rise again from the dead. Since Jesus could raise Himself from the dead, we know that He can raise us up to. If He had stayed dead, we wouldn't be able to believe the things He said, but He proved that He was God because only God has power over death!
